

Application for Assistance

Food Assistance

The Supplemental Nutrition Assistance Program (SNAP) helps families buy food for good health. Eligible families get a debit-like card to buy food items. Participants may be required to participate in work programs and cooperate with Child Support Services. Benefits are prorated from your application date.

Medical Assistance

Medicaid offers healthcare coverage for individuals that addresses a variety of health needs, including coverage for low-income adults, children, pregnant women, the elderly, and people with disabilities.

Cash Assistance

The Temporary Assistance for Families in Idaho program (TAFI) provides cash assistance for emergency situations to families with children. Eligible families receive a one-time or ongoing payment, depending on the needs of the household. The Aid to the Aged, Blind, and Disabled (AABD) program provides cash assistance to individuals eligible for SSI and who meet other guidelines.

Child Care Assistance

The Idaho Child Care Program (ICCP) helps parents and caretakers pay for a part of their child care costs while working, going to school, or participating in approved training activities. Eligible families receive a portion of child care costs paid to the provider.
